Dear Rotarians:

We are so grateful for your participation with us in our planned grocery give-away at Dooley's Orchard next month. Thank you for your contribution of \$240 for that humanitarian project.

In the past we've received many grateful comments like, "How did you know we needed this right now?" and "We wanted to get groceries today, but we didn't have any money left. Now here you are!" The people have been very appreciative.

The needs are great, and your contribution will go 100 percent to meeting those needs. Thanks for making a difference in this community.

Sincerely,

Darryl Bell
Pastor
