Dear Friends,

Holiday Clearing House 2008 was a huge success. Celebrating 54 years this community-based sharing program provided food, new toys, new clothing, and gift certificates to over 491 families with 1,125 children. Also baskets of food and gifts were delivered to 168 senior/disabled shut-in neighbors in Delaware County. (Another record year of serving those in need for the holidays!)

This giving program is only as successful as our donors & volunteers make it. If not for the wonderful generosity of people getting involved these families, children, senior citizens and disabled individuals would not have the kind of holiday we all envision for our families & ourselves. You are among thousands of volunteers who have made a happier holiday for so many friends and neighbors.

Your donation of \$2,035.00 and clothing has been issued to and used for the Holiday Clearing House program and is very much appreciated. Thank you for sharing and for your service to the community.

This donation(s) provided direct services of material and/or financial assistance to low income residents established and living in Delaware County Ohio.

Your contribution is tax deductible to the fullest extent of the law. No goods or services were provided in exchange for your gift.

The Board of Directors and staff of the People In Need, Inc. agency wish you success in the New Year.

In the spirit of sharing,

Kevin James Crowley
